

❧ LOVE BUGS ❧

Do your customer's dogs need support with:

- ❧ Digestive issues (IBD, gas, bloating)
- ❧ Loose stool or inconsistent stools
- ❧ Vomiting
- ❧ Diarrhea
- ❧ Allergies

*If any of these symptoms are emergencies or life-threatening, please ask your customer to see their trusted veterinarian.

What Is Love Bugs?

This product is a 14-strain allergen-free pre and probiotic blend. It contains 30 billion colony forming units (CFUs) and the celebrated prebiotic Larch Arabinogalactan.

Did You Know?

Pre and probiotics are excellent at helping to prevent tooth decay and protect oral health.

The skin is the largest organ of the body. Love Bugs supports the skin's defence system in the same way that it supports the digestive tract... by maintaining a healthy bacterial balance.

Pro Tip:

Sprinkle onto of food, directly into the animal's water bowl, or use the attached Love Bugs Dental Paste recipe.

Pro Tip:

Julie also recommends incorporating Love Bugs as a do-it-yourself toothpaste or topical mask.

Love Bugs Topical Mask

Soothe inflamed or irritated skin quickly

❧ 1/2 tsp Love Bugs

❧ 2 tbsp organic kefir or yogurt

Mix together well. You can increase the amount of kefir or yogurt as needed for the size of your dog. Leave on for at least half an hour, rinse with warm water.

LOVE BUGS

Love Bugs Dental Paste

An easy and effective DIY recipe

Small Dog or Cat

Mix together 1 tsp of coconut oil and 1/16 tsp of Love Bugs

Large Dog

Use the recipe above to accommodate your animal's needs, up to a tablespoon.

Directions for Use:

Add to food once per day according to your dog's weight.

ANIMAL WEIGHT	DAILY SERVING
1 – 29 LBS	1/4 TSP
30 – 59 LBS	1/2 TSP
60 – 89 LBS	3/4 TSP
90+ LBS	1 TSP

Ingredients:

Larch Arabinogalactan

Is a prebiotic that feeds probiotics, helping to keep them healthy and viable, reducing incidents of chronic infection with the added benefits of having anti-cancer and immune-modulating properties.

Multi-Strain Probiotic Blend

1 billion lactose and allergen-free colony forming units of our cherry-picked multi-strain probiotic blend provides beneficial bacteria to establish healthy colonies and keep bad bacteria at bay.
